Eligibility Guidelines and Directions for Summer Campership Grant

It is the goal of the Chauncy B. Warner Home for Little Wanderers Campership Committee to provide financial support for low income children in Franklin County so that they may attend an enriching summer experience. The Campership Grant can support various forms of summer camps or programs such as academic, sports, art, recreational, medical and others.

Child must be:

- A resident of Franklin County, Vermont
- 21 years old and under
- Eligible based on our guidelines of financial need

Please:

- Use a separate form for each child
- Indicate if applying for assistance for multiple camps
- Indicate if a child is in DCF custody or has a documented disability

What to expect:

- If your child is ineligible, you will receive a letter stating the reason for their denial.
- If your child is eligible, you will receive an award letter indicating the amount of their grant. You must give or send the letter to the camp administrator who will bill the Warner Home Corporation directly. You will be responsible for paying any balance between the cost of the camp and the amount of the award. Awards are transferrable to a different camp if your plans change.

Awards will be granted beginning March 1 and will continue to be granted until funds are no longer available.
